Web Design 1 & 2 reaches many aspects of West Ranch High School's mission statement. Classroom Behavior Expectations and Academic Integrity

Academic Integrity Policy and Consequences::
West Ranch High School will consistently enforce the William S. Hart Union High School District Board Policy on Academic Integrity which is based on Educational Code 44806.
The following actions will be deemed violations of Academic Integrity and/or Board Policy:
- When a student takes credit for work that is not their own or allows someone else to copy their work, this will be deemed a violation of our Academic Integrity Standards.
- If a student looks at another student's paper or sends or receives test data during or before a quiz or test or uses materials on a test or quiz that has not been approved, this is a breach of Board Policy.
- If a student plagiarizes someone's work, whether it is another student's or reference material, this will be a violation of Board Policy.
- **West Ranch High School believes that academic honesty and integrity are fundamental components of every student's education. It is expected that students will not cheat, lie, plagiarize or use artificial intelligence platforms, such as ChatGPT, to produce the work required for class.**

Cell Phone Policy
West Ranch High School has adopted a personal device policy that requires cell phones to be stored during the instructional periods. This policy can be found on the school website under "Students" and includes school consequences.

Tardy Policy
West Ranch and the William S Hart School District are committed to each student's success and timely attendance is a part of that. Please take a moment to talk to your student about the importance of being on time for class. You can review West Ranch's tardy policy on the school's website.

Course Grading
Grades will be tabulated on a points possible system. Website projects, participation, and final web assignment will be given a point value based upon their importance. The student's grade will be calculated at the end of each five-week period. Appropriate interventions will be provided for any student still working toward mastery of content standards. The following scale is used to determine student grades:

A = 90 – 100%
B = 80 – 89%
C = 70 - 79%
D = 60 - 69%
F = 0 – 59%
